BRITAIN TO JOIN THE WITCHHUNT OF ALLEGED "WAR CRIMINALS"

Britain is to become the latest country to bow to Zionist pressure, and prosecute, so called "War Criminals".

Both Houses of Parliament will have the opportunity in October, to debate and vote on whether Britain should change it's existing laws, to enable alleged war criminals to stand trial in Britain, for alleged crimes committed abroad, by people who were not British Citizens, against others who were also not British Citizens.

Although the Government intend this exercise to be a show of our democratic process, in reality, the decision has already been made to prosecute up to 20 anti-communist refugees from countries which are now behind the Iron Curtain.

Also, for the first time, witnesses will have given their "evidence" on video, and will remain in their own countries, therefore not available for meaningful cross-examination by defence lawyers.

The All Powerfull, Zionist Lobby, have already been pressuring MP's into voting to change our existing legislation, so as organisations such as the Jewish Board of Deputies, and the World Jewish Congress, can have their "Revenge" against those who helped to curb the power of organised Jewry in Eastern Europe prior to 1945.

So far only two MP's have had the courage to defy the pressure, one is Mr Ivor Stanbrook, (Conservative, Orpington), who is also a barrister specialising in criminal law, who said it would be a tragic mistake to institute war crimes trials and to stir up the emotions of HATRED and REVENGE which would be evoked by the STORIES of war-time atrocities.

He also asked, how it would be possible for those men to get a FAIR TRIAL WHEN A LAW WAS PASSED ESPECIALLY TO PROSECUTE THEM, WHEN THE EVIDENCE WAS ALMOST 50 YEARS OLD, AND WHEN IT WAS IMPOSSIBLE FOR THEM TO GO TO THE SOVIET UNION TO FIND WITNESSES AND EVIDENCE TO CLEAR THEM.

The other is Mr Harry Ewing, (Labour, Falkirk East) who asked, WHAT WOULD BE ACHIEVED BY PUTTING ON TRIAL PEOPLE OF 80 YEARS OF AGE OR MORE, AND ASSUMING THEY WERE FOUND GUILTY, SENDING THEM TO PRISON FOR THE REST OF THEIR NATURAL LIVES??

Editorial

In the wake of the shock decision by the Director of Public Prosecutions not to investigate the mysterious death of Rudolf Hess, our British Judicial reputation will be further tarnished when our laws are changed later this year to enable "British Justice" to prosecute elderly East European Refugees from Communism, for "War Crimes", with evidence supplied by the Communists.

But retrospective laws can be a two edged sword, for using the same type of legislation, a future Nationalist Government could prosecute former Politicians for their treason in selling out our Kith and Kin in Rhodesia, for dispatching scores of thousands of anti-communists, to death and torture by handing them over to the Russians at the end of the last war, and even prominent zionists, for putting the interests of Israel before that of Britain. Remember, our day WILL COME.....

Whilst travelling to our holiday destination on the Continent, the family demanded I stop the car for a while, so as they could stretch their legs. I stopped outside a small church in a quiet Flemish village in Belgium, and I decided for exercise, I would have a stroll around the small graveyard attached to the church.

One of the first graves that I came to was inscribed, HIER RUSTEN GASTON LASAT, 1900-1980.
OOSTFRONTSTRUDER. 1940-45.

It was a while before I managed to translate the inscription, and realise that I was standing at the grave of one of those Brave Europeans, that in

the dark days of 1940-45 had volunteered to go to the Eastern Front and fight against Communism.

Gaston Lasat, would have been nearly 40 years old when he volunteered, almost certainly joining either the "Viking or Langemarck" divisions of the Waffen SS. He would have probably fought at Leningrad, in the bitter Russian winter, and on his return home in 1945, he would have certainly faced humiliation and persecution from his Belgian masters, most of whom had spent their war, safe in England. He would possibly have been imprisoned for a while, and on his release, he would have found that he had been stripped of his civil rights, not even the right to vote, in his beloved Flanders.

Gaston Lasat was a Brave man, and a Proud one. Having made the sacrifices that he chose freely to make, fighting for Europe against communism, and having suffered the wrath of the so called victors of that war, Gaston Lasat, even in death, was proud of what he had done. Proud of his contribution to the battle that we are still fighting, and Proud enough to tell those who bother to stop at his grave in this small Flemish churchyard that he was an EAST-FRONT VOLUNTEER.

I picked a poppy from a nearby field, and left it on the grave of Gaston Lasat, I left also, MY DEEPEST THANKS.

HESS MURDER.. NO ENQUIRY !

The Director of Public Prosecutions, Mr Allen Green QC, has announced that there will be NO FURTHER INVESTIGATION OVER THE MURDER OF RUDOLF HESS, ON THE GROUNDS OF "INSUFFICIENT EVIDENCE". This surprise decision comes following a report prepared by Chief Superintendent Howard Jones, of Scotland Yard's Serious Crime Squad.

Mr Jones conducted the the preliminary enquiry into the circumstances surrounding the mysterious "suicide" of Rudolf Hess, in Spandau Prison, Berlin, and his report was widely thought to suggest that there was sufficient evidence to justify launching A FULL SCALE MURDER INVESTIGATION. Even the left-wing "Guardian" newspaper disclosed that the report indicated a number of points that could only be cleared up if there was a full scale investigation.

Such an investigation would have given Chief Superintendent Jones, the opportunity to question several more witnesses, including Abdullah Melaouhy who was Hess's nurse in Spandau, the American duty warder, named Jordan, and two, as yet unidentified men, SEEN STANDING BY HESS'S BODY IN THE PRISON GARDENS.

BRITISH CHILDREN TO LEARN URDU AND PUNJABI

The next Labour Government to infest Britain, has pledged to increase the already substantial BRAINWASHING OF OUR SCHOOLCHILDREN, by insisting that ALL SCHOOLS HAVE MULTI-CULTURAL STUDIES AS PART OF THEIR CURRICULUM.

A recent policy document published by the Marxist-Labour Party, reveals that all schools will have to teach children URDU and PUNJABI in line with European languages. Also to "help white children develop a better understanding of Asian culture", Asian children will be allowed to wear traditional dress, and have their own diet and religious worship.

Derek Fatchett, Labour MP for Leeds Central said, "it applies not just to Bradford and Brent, but to every part of the country, to make sure ball youngsters have an understanding of a Multi-Cultural Society.

The D.P.P, Allen Green has been under severe pressure by both his co-religionists, (Allen Green is Jewish), and the British Foreign Office, who fear a political scandal if murder was proven, to close the "Hess Affair". We will not be in a position to judge his decision unless Chief Superintendent Jones's report is made public, and until that time, THE LEAGUE OF ST GEORGE WILL DO IT'S UTMOST TO ENSURE THAT THE DEATH OF RUDOLF HESS, WILL NOT BE FORGOTTEN....

WITCHUNT... Continued.....

But surely the best comment came from Jewish journalist, Chaim Bermant, who wrote "many survivors who might have given evidence are dead, and of the rest, most are old and frail WITH UNRELIABLE MEMORIES. The prosecution will thus depend mainly on documents supplied by the Soviet Authorities, AND IT WILL NOT BE DIFFICULT FOR A SKILLED COUNSEL, OR EVEN AN UNSKILLED ONE, TO CAST DOUBTS ON THEIR AUTHENTICITY"

LEAGUE OF ST. GEORGE.

VIEWPOINT

South Tyneside has lost it's last remaining shipyard, but has gained a Multi-Cultural Project.

This grandly named quango, is being financed with Ratepayers and Taxpayers money as usual.

Members from South Tyneside's Hindu, Moslem, and Sikh communities were elected onto the management committee by the 15 members of the public that bothered to attend it's first ever A.G.M., and two places were left vacant, for nominations from the Chinese and Arab communities.

The aim of the Project, is to run such things as Home Tuition Schemes, A Ladies Club for Bangladeshi women, and an Interpreter Service for the ethnic community. Seemingly, there will not be any jobs created for unemployed Welders, Rivetters, and Fitters, unless they can speak Urdu or Punjabi. I'm sure South Tynesiders will welcome this much needed job injection into their community!!!!!!

Congratulations to the "Green NF" who scored another "First" when they managed to get the Black Leader of the Pan African Movement, Osiris Akkebala, to publicly support the NF's candidate in the Vauxhall by-election. Akkebala said that both his organisation and the NF strongly opposed multi-racialism and intermarriage, as a way of destroying both the White and Black Races.

The Commission for Racial Equality are to investigate the Birmingham based Handsworth Horticultural and Allotments Association, to see if it has contravened the Race Relations Act by having an all White membership, in an area which is 70% Black.

The H.H.A.A. are not known to the League, nor are they subscribers to Sentinel, so could they be "UNDERGROUND FASCISTS" ?????

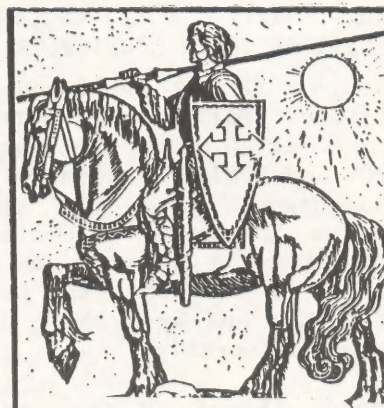

Once again, the British legal system has denied justice to a British Citizen, when Bow Street Magistrates refused Mr Terry Shand, a former sergeant in the British Palestine Police, a warrant to arrest Israeli Prime Minister Yitzhak Shamir for conspiracy in the murder in Cairo of Lord Moyne, the British Foreign Office Minister. Lord Moyne was murdered in 1944, by the zionist terrorist group "The Stern Gang", of which Shamir was the leader..

During the visit to Britain by Shamir, a special breakfast meeting was arranged at Grosvenor House. Amongst those arriving at 8.30am, were

Greville Janner MP (President of the Jewish Board of Deputies), Robert Maxwell, (Daily Mirror Group of Newspapers), Cyril Stein (Ladbroke's), Jacob Rothschild (Financier) and Arnold Goodman (Lawyer).

I WONDER WHY ??????

What with a future Labour Government promising to impose Asian Culture lessons on our Schoolchildren, and the recent example of "Asian Culture" practiced by Mr Abdul Malik of Birmingham, who ritually slashed his daughters throat for changing her religion, I wouldn't fancy being a school-dinner lady in Bradford, under a Labour Government, WOULD YOU ?????

SOUTH WALES

A burning wooden cross was found at a crossroads in Mid Glamorgan, on the night that the Knights of the Ku Klux Klan, had designated for a nationwide campaign of Burning Crosses, "as a sign to all White Christians of Britain, that not only was the enemy approaching, but it had already infiltrated the Christian ranks."

Local Police are investigating..

BIRMINGHAM

The recent visit to Birmingham by South African terrorist supporter, Archbishop Desmond Tutu, cost the Church of England over £200,000. The visit was organised by the Bishop of Aston, Colin Buchanan, who has now resigned.

Whenever the subject of Asian immigration is discussed, the message from Our Masters is that Asians benefit Britain by bringing with them their "good business sense, their hard work, and respect for law and order".

Therefore it must have come as a bit of a shock to the multi-racialists when a gang of Asians was jailed recently for smuggling FIFTY-TWO KILO'S OF HEROIN into Britain.

Peranjit Singh Ratoo, of Keenan Close, Leicester, and his brother Sarabjit Singh Ratoo of Field Close, Cranford, West London, were each jailed for 14 years, at Birmingham Crown Court.

Sentencing of two other gang members, Satpal Singh Gill, of St Stephens Rd, East Ham, London, and Ijaz Farag, an Iranian, of Westminster Court, London, was postponed to determine their assets. NONE OF THE MEN WERE RECOMMENDED FOR DEPORTATION.

CANADA

As Canada prepares to open it's doors to a large influx of oriental immigrants from Vietnam and Hong Kong, an immigration panel has recommended the deportation of a White Patriot. He is to appeal.

FRANCE

Socialist Buro-MP's, walked out of the opening session of the European Parliament in protest over a speech by 88 year old Claude Autant-Lara, of the French, Front National.

POLAND

AMERICAN JEWS INVADE POLISH CONVENT.

A group of American Jewish fanatics led by the militant Rabbi Avraham Weiss, climbed a fence surrounding a convent adjacent to the former labour camp at Auschwitz, Poland.

Their purpose was believed to be an attempt to forcibly remove the 18 Carmelite nuns that live there. The fanatics were forcibly removed by Polish people living nearby.

Already the Zionist controlled media are describing the eviction as "Polish Nazi's attacking innocent Jews", and the World Jewish Congress has declared that it holds the Polish authorities responsible for "a vicious and unprovoked attack".

The head of the European Jewish Congress, has called for a freeze of relations between Jews and Catholics.
